A European **volunteering programme** to promote **cooperation** and the **spirit of solidarity** in territorial cooperation.

IVY Volunteers help their host organisation in **achieving their project objectives.** They contribute **with new ideas** and **represent young people's perspectives**.

IVY volunteers gain a **unique experience with a long-lasting impact** by stepping out of their comfort zone and by **exploring different fields of cooperation** and **solidarity actions across Europe**.

Through their engagement, Interreg volunteers **develop new skills** on both a personal and professional level.

By contributing to projects that **promote local development**, they experience the true meaning of Europe: **building a better future for all, together.**
